SUNDAY POLICY:

1. Applicability

This policy applies to all workers whose standard working schedule falls between **Monday to Saturday**.

2. General Rule

Sunday shall be treated as a **paid weekly off**, subject to attendance conditions outlined below.

3. Eligibility Criteria

A. Full Attendance (6 Days: Monday–Saturday)

- If an employee works **all 6 days in a week**, they will be:
 - **Eligible for full paid Sunday** of that week.

B. Partial Attendance (5 Days in a Week)

A special rolling rule applies:

- If an employee works **5 days in a week**:
 - They will be **eligible for paid Sunday, provided the previous week did NOT also have only 5 working days**.
- If an employee works **5 days for two consecutive weeks**:

- **Week 1:** Sunday → **Paid**
- **Week 2:** Sunday → **Not Paid**
- If the employee continues working **5 days in Week 3:**
 - **Week 3 Sunday** → **Paid again**

👉 In simple terms:

- Paid Sunday is given for **alternate weeks** when attendance is consistently 5 days.

5. Summary Table

Week	Days Worked	Sunday Paid?
Week 1	6 days	✅ Yes
Week 1	5 days	✅ Yes
Week 2	5 days	❌ No
Week 3	5 days	✅ Yes
Week 4	5 days	❌ No

OVERTIME POLICY (THRESHOLD-BASED)

1. Objective

To define overtime eligibility based on actual working time beyond scheduled duty hours, with a minimum threshold requirement.

2. Overtime Eligibility Rule

A. Minimum Threshold Condition

- Overtime will **only be applicable** if extra working time exceeds **30 minutes**.
- Any extra time **up to 30 minutes (≤30 mins)** will **not be considered for overtime**.

3. Overtime Calculation

A. Post Shift (After Off Time)

- If an employee stays beyond their scheduled off time:

Extra Time Worked Overtime Eligibility

Up to 30 minutes ❌ Not Paid

More than 30 minutes ✅ Full extra time paid

Example:

- Off time: **7:00 PM**
 - Leaves at **7:20 PM** → ❌ No overtime
 - Leaves at **7:31 PM** → ✅ 31 minutes overtime paid

B. Pre Shift (Before In Time)

- If an employee starts work before their scheduled in time:

Early Time Overtime Eligibility

Up to 30 minutes early ❌ Not Paid

More than 30 minutes early ✅ Full extra time paid

Example:

- In time: **9:00 AM**
 - Arrives at **8:40 AM** → ❌ No overtime
 - Arrives at **8:29 AM** → ✅ 31 minutes overtime paid

4. Important Conditions

- This kind of Overtime must be **approved by management/supervisor**.
- Unauthorized early/late presence will **not qualify for overtime**.

5. Key Principle

👉 Overtime starts **only after crossing the 30-minute threshold**, and once crossed, **entire extra duration is counted**.
